Fill in the gaps

Turn Off The Light by Nelly Furtado

It's getting so lonely inside this bed
Don't know if I should lick my wounds or say woe is me instead
There's an aching inside my head
It's telling me you're better off alone
After midnight morning will come
And the day will see if you will get some
They say that girl ya know she act too tough, tough, tough
Well, it's till I turn off the light, turn off the light
They say that girl you know she act so rough, rough, rough
Well, it's till I turn off the light, turn off the light
And I say follow me, follow me, follow me down, down, down, down
Till you see all my dreams
Not everything in this magical world is quite what it seems
I looked above the other day
'Cause I think I am good and ready for a change
I live my life by the moon
If it's high play it low, if it's harvest go slow and if it's (1)_____ then go
But after midnight morning (2)_____ come
And the day will see if you're gonna get some
They say that girl ya (3)_____ she act too tough, tough, tough
Well, it's till I turn off the light, turn off the light
They say that girl you know she act so rough, rough, rough
Well, it's (4)_____ I turn off the light, turn off the light
And I say (5)_____ me, (6)_____ me, follow me down, down, down, down
Till you see all my dreams
Not everything in this magical world is quite (7)_____ it seems
I'm searching for things that I just cannot see
Why don't you, don't you, don't you come and be with me
I pretend to be cool with me, want to believe
That I can do it on my own without my heart on my sleeve
I'm running, I'm running, (8)_____ up with me life
Or is it love that I'm (9)_____ to find?
It's all in me, can't you see, why can't you
Why can't you see, it's all in me, yeah
All in me, yeah
Turn off the light, turn off the light
Turn off the light, turn off the light
I say follow me, follow me, follow me down, down, down, down
Till you see all my dreams
Not everything in this magical world is quite what it seems
Turn off the light, turn off the light
Turn off the light, turn off the light
I say follow me, follow me, follow me down, down, down, down
Till you see all my dreams, see all my dreams
Follow me, follow me, follow me down, down, down, down
Till you see all my dreams, see all my dreams
Turn off the light, turn off the light
Turn off the light, turn off the light
Turn off the light, turn off the light
Turn off the light, turn off the light
