Fill in the gaps

With You by Chris Brown

I need you boo

I gotta see you boo

And there's hearts all over the world tonight

Said there's hearts all over the world tonight

I need you boo

I gotta see you boo

And there's hearts all over the world tonight

Said there's hearts all over the world tonight

Hey lil mama, ooh you're a stunner

Hot little figure, yes you a winner, and

I'm so glad to be yours

You're a class of your own and

Ooh little cutie, when you (1)_____ to me

I swear the whole world stops

You're my sweetheart and

I'm so glad that you're mine

You are one of a kind, and

You mean to me what I mean to you

And together baby there is nothing we won't do

'Cause if I got you

I don't need money

I don't need cars

Girl you're my heart

And oh, I'm into you and

Girl no one else would do

With every kiss and every hug

Fill in the gaps

You make me fall in love

And now I know I can't be the only one

I bet there's hearts all over the world tonight

With the love of their life who feel

What I feel when I'm with you, with you, with you, with you, with you... girl

With you, with you, with you, with you, with you... Oh girl

I don't want nobody else

Without you there's noone left, and

You're like Jordans on Saturday

I gotta have you and I cannot wait now

Hey lil shorty, say you care for me

You know I care for you

You know that I will be true

You know that I won't lie

You know that I will try

To Be your everything

'Cause if I got you

I don't need money

I don't need cars

Girl you're my heart

Oh, I'm into you and

Girl no one else would do

With every kiss and every hug

You make me fall in love

And now I know I can't be the only one

I bet there's hearts all over the world tonight

Fill in the gaps

With the love of their life who feel

What I feel when I'm with you, with you, with you, with you, with you... ohhh

With you, with you, with you, with you, with you... Yeah

And I will never try

To deny that you are my whole life

'Cause if you ever let me go

I would die so I won't run

I don't need another woman

I just need you or nothing

'Cause if I got that

Then I'll be straight

Baby you're the best part of my day

I need you boo

And there's hearts all over the world tonight

Said there's hearts all over the world tonight

They need their boo

They gotta see their boo

Said there's hearts all over the world tonight

And oh, I'm into you and

Girl no one else would do

With every kiss and every hug

With the love of their life who feel
