November Rain by Guns N' Roses

When I look into your eyes I can see a love restrained But darlin' when I (1)_____ you Don't you know I feel the same 'Cause nothin' lasts forever
And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a long long time Just
tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking away If we could
take the time To lay it on the line I could (2)_____ my head Just knowin' that you were mine All mine So if you want to love me (3)_____
darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some time All alone
Everybody needs some time On their own Don't you know you (4)_____ (5)_____ time All alone I know it's hard to keep an open heart
When even friends (6)_____ out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some
time On my own Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need some time All alone And
when your fears subside And (7)_____ still remain I know that you can (8)_____ me When there's no one left to blame So never
mind the darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya think
that you Need someone (9)_____ needs somebody You're not the only one You're not the only one Don't ya think that you Need
somebody Don't ya think that you (10)_____ someone Everybody needs somebody You're not the only one You're not the only one Don't ya think
that you Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya
think that you Need somebody Don't ya think that you Need someone Everybody needs somebody
