I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But when I think of you
I long to feel your touch
To (1)_____ in your ear
Words that are old as time
Words only you would hear
If only you were mine
I wish I could go (2)_____ to the (3)_____
(4)_____ day I saw you
Should've made my move when you looked in my eyes
'Cause by now I know that you'd feel the way that I do
And I'd whisper these (5)_____ as you'd lie here by my
side
I love you, please say
You love me too, these three words
They could (6)_____ our lives forever
And I promise you (7)_____ we will always be together
Till the end of time
So today, I finally find the (8)_____ deep inside
Just to (9)_____ right up to your door
But my body can't move when I (10)_____ get to
it
Just (11)_____ a thousand times before
Then without a word he handed me this letter
Read I hope this finds the way (12)_____ (13)_____
heart, it said
I love you, (14)_____ say
You love me too, these three words
They could (15)_____ our lives forever
And I promise you that we (16)_____ (17)_____
be together

Till the end of time
Well maybe I, I need a little (18)_____ yeah
And maybe I, I need a (19)_____ care
And maybe I, maybe you, maybe you, (20)_____ you
Oh you need somebody just to hold you
If you do, (21)_____ reach out and I'll be there
I love you, (22)_____ say
You love me too
Please say you love me too
Till the end of time
These three words
They could change our lives forever
And I (23)_____ you that we (24)_____
(25)_____ be together
Oh, I love you
Please say you love me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever

I love you
I will be your light
Shining bright
Shining (26)_____ your eyes
My baby
