Spaceman by The Killers

It started with a low light
Next thing I knew (1)_____ ripped me from my bed
And then they took my blood type
They left a (2)_____ impression in my head
You know that I was hoping
That I could leave this star-crossed (3)_____ behind
But (4)_____ they cut me open
I (5)_____ I changed my mind
And you know I might
Have just flown too far from the floor (6)_____ time
'Cause they calling me by my name
And the (7)_____ white light beams
Disregarding (8)_____ and satellites
That was the turning point
That was one (9)_____ night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (10)_____ look down
It's all in your mind
Well now I'm back at home and
I'm looking forward to this life I live
You know it's gonna haunt me
So hesitation to this life I give
You think you might cross over
You (11)_____ between the devil and the
(12)_____ (13)_____ sea
You better look it over
Before you (14)_____ that leap
And you know I'm (15)_____ but I hear those
(16)_____ at night
Sometimes... they justify my claim
And the (17)_____ don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The (18)_____ maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in (19)_____ mind
My global position systems are vocally addressed
They say the (20)_____ used to run from east to west
They say the Nile used to run from east to west
I'm fine
But I hear those (21)_____ at night
Sometimes...
The star maker says it ain't so bad

The spaceman (22)_____ everybody look down
It's all in your mind
The star (23)_____ (24)_____ It ain't so bad
