

## Fill in the gaps

### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the (1)\_\_\_\_\_ light

See in the (2)\_\_\_\_\_ of life

And my (3)\_\_\_\_\_ is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the (4)\_\_\_\_\_ are one

You're (5)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel (6)\_\_\_\_\_ it does and you're drunk on love

You're sleeping in the fire

I (7)\_\_\_\_\_ at the flame and fire burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's (8)\_\_\_\_\_ that makes you numb

The passion and all the pain are one

You're (9)\_\_\_\_\_ in the fire
