Where The Streets Have No Name by U2

...

I (1)_____ to run

I (2)_____ to hide

I want to tear down the walls

That hold me inside

I (3)_____ to reach out

And touch the flame, yeah

Where the streets have no name

I want to (4)_____ sunlight on my face

I see the dust cloud disappear

Without a trace

I (5)_____ take shelter

From the poison rain, yeah

Where the streets have no name

...

Where the streets have no name

Where the streets have no name

We're still building, (6)_____ burning down love

Burning down love

And (7)_____ I go there

I go there with you

It's all I can do

The city's a flood

And our love turns to rust

We're beaten and blown by the wind

Trampled in dust

I'll show you a place

High on a desert plain

Where the streets have no name

...

Where the streets have no name

Where the streets have no name

We're still building, then burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

Our love turns to rust

We're (8)_____ and blown by the wind

Blown by the wind...

See our love turn to rust

I'll be beaten and (9)_____ by the wind

Blown by the wind

(Oh) and (10)_____ I go there

I go there with you

It's all I can do

...
