

Fill in the gaps

It's just one of (1) days	My suggestion is to keep (19) distance
When ya don't wanna wake up	Because right now I'm dangerous
Everything is ******, everybody sucks	We've all felt like ****
You don't really know why	And been treated like ****
But you wanna justify rippin' someone's head off	All those ***********, that want to step up
No human contact	I hope ya know I pack a chainsaw
And if you interact (2) life is on contract	l'Il skin your ass raw
Your best bet is to stay away *******!	And if my day keeps going (20) way
It's just one of those days!	I just might break something tonight
It's all about the he said she said bull****	I pack a chainsaw
I think you better quit lettin' **** slip	l'Il skin your ass raw
Or you'll be leavin (3) a fat lip	And if my day keeps going (21) way
It's all about the he (4) she said bull****	l just (22) (23)
I think you better quit talkin' that ****	(24) tonight
It's just one of (5) days	I pack a chainsaw
Feelin' (6) a freight train	l'Il skin your ass raw
First one to complain	And if my day keeps going this way
Leaves (7) a (8) stain	I (25) might break your ****** face tonight
Damn right I'm a maniac	Give me somthing to break
You better watch (9) back	Give me somthing to break
'Cause I'm ****** up your program	Just give me stuff to break
And if you're (10) up	How 'bout your ****** face?
You (11) lucked up	I hope you know I pack a chainsaw, what?
Next in line to get ****** up	A chainsaw, what?
Your (12) bet is to stay away ********!	A ******* chainsaw, what?
It's (13) one of (14) days!	So come and get it
It's all about the he (15) she said bull****	It's all about the he said she (26) bull****
I think you better quit lettin' **** slip	I think you better quit lettin' **** slip
Or you'll be leavin (16) a fat lip	Or you'll be leavin with a fat lip
It's all (17) the he said she said bull****	It's all about the he said she said bull****
I think you better quit talkin that ****, punk	I think you (27) quit talkin (28) ***
So come and get it	punk
I (18) like ****	So come and get it
