Read All About It (Part III) (Live) by Emeli Sandé

You've got the (1) to change a nation	I wanna sing, I wanna shout
But you're biting your tongue	I wanna scream till the words dry out
You've spent a life time stuck in silence	So put it in all of the papers
Afraid you'll say something wrong	I'm not afraid
If no one ever hears it	They can (7) all (8) it, (9)
How we gonna learn your song?	all about it
So come on, come on, come on	(Oh oh oh)
You've got a heart as loud as lions	Yes we're all wonderful, wonderful people
So why let your (2) be tamed	So when did we all get so fearful?
The lights to fight the shadows	And now we're finally finding our voices
There's no need to be ashamed	So take a chance, come help me sing this
You've got the light to fight the shadows	Yes we're all wonderful, wonderful people
So stop hiding it away	So when did we all get so fearful?
So come on, come on	And now we're finally finding our voices
I wanna sing, I wanna shout	So take a chance, come help me sing this
I wanna scream till the words dry out	I wanna sing, I wanna shout
So put it in all of the papers	I wanna scream till the words dry out
I'm not afraid	So put it in all of the papers
They can read all about it, read all (3) it	I'm not afraid
(Oh oh oh)	They can read all about it, read all about it
At night we're waking up the neighbours	(I wanna) sing, I wanna shout
While we sing away the blues	I wanna scream till the words dry out
Making sure (4) we remember yeah	So put it in all of the papers
'Cause we all matter too	I'm not afraid
If the truth has been forbidden	They can (10) all about it, read all about it
Then we're (5) all the rules	(Oh oh oh)
So come on, come on, come on	(Oh oh oh)
Let's get the TV and the radio	Yes I wanna sing, I wanna shout
To play our tune again	I wanna scream till the words dry out
It's about time we have some airplay	So put it in all of the papers
Of our version of events	I'm not afraid
There's no need to be afraid	They can read all about it, read all about it
I will sing with you my friend	(Oh oh)
So (6) on, come on, come on
