

## That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't impress me much
But you've got being right down to an art	You're one of (5) guys who likes to shine his
You think you're a genius, you drive me up the wall	machine
You're a regular original, a know-it-all	You make me take off my shoes before you let me get in
You (1) you're special	I can't believe you kiss your car (6) night
You think you're something else	Now come on baby tell me
Okay, so you're a rocket scientist	You must be joking, right
That don't impress me much	You think you're something special
So you got the brain but have you got the touch	You think you're something else
Don't get me wrong, yeah, I think you're alright	Okay, so you've got a car
But that won't keep me warm in the middle of the night	That don't impress me much
That don't (2) me much	So you got the moves but have you got the touch
I never knew a guy who (3) a mirror in his	Now, don't get me wrong, yeah, I think you're alright
I never knew a guy who (3) a mirror in his pocket	Now, don't get me wrong, yeah, I think you're alright But that won't (7) me warm in the middle of the
pocket	But that won't (7) me warm in the middle of the
pocket And a comb up his sleeve, just in case	But that won't (7) me warm in the middle of the night
pocket And a comb up his sleeve, just in case And all that extra hold gel in your hair ought to lock it	But that won't (7) me warm in the middle of the night That don't (8) me much
pocket And a comb up his sleeve, just in case And all that extra hold gel in your hair ought to lock it 'Cause Heaven forbid, it should fall out of place	But that won't (7) me warm in the middle of the night That don't (8) me much You think you're (9) but have you got the touch
pocket And a comb up his sleeve, just in case And all that extra hold gel in your hair ought to lock it 'Cause Heaven forbid, it should fall out of place You think you're special	But that won't (7) me warm in the middle of the night That don't (8) me much You think you're (9) but have you got the touch Don't get me wrong, yeah, I (10) you're alright
