Love Like Winter by AFI

Warn you once to turn away
Here it's December, everyday
Press your (1)_____ to the sculptures
And (2)_____ you'll stay (love like winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From (3)_____ before
From (4)_____ before
She attails the mirror lace
I barely dreamt her, yesterday (yesterday...)
With the lines in the mirror
Through the lipstick trace...
She said "It seems you're somewhere, far away..."

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She wanted love, I (5)_____ the blood
She bit my lip, and (6)_____ my warmth
From years before
From years before
Love like winter (Oh oh...)
Love (7)_____ winter, (8)_____ 3...4...
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From years before
