Every Single Night by Fiona Apple

Every (1)_____ night, I (2)_____ the flight
Of little (3)_____ of white-flamed
(4)_____ in my brain
These ideas of (5)_____ percolate the mind
Trickle down the spine
Swarm the belly, (6)_____ to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the (7)_____ in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I (8)_____ what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the (9)_____ and heart is the yolk
And I (10)_____ need a meal for us both to choke on

Every single night's a (11)_____ (12)_____ my
brain
I (13)_____ (14)_____ to feel everything
I just want to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double king size bed
We (15)_____ move in it and I'd soon forget
If what I am is (16)_____ I am, 'cause I (17)_____
(18)_____ I does
And maybe I'd relax, let my breast (19)_____ bust open
My heart's (20)_____ of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every (21)_____ night's a fight
And every single night's alright (22)_____ my brain
I just want to feel everything
I just want to feel everything
I just (23)_____ to feel everything
I (24)_____ (25)_____ to feel everything
