

## Fill in the gaps

### Left Outside Alone by Anastacia

All my life I've been waiting  
For you to bring a fairy tale my way  
Been living in a fantasy without meaning  
It's not okay  
I don't feel safe  
I don't feel safe (oh...)  
Left broken empty in despair  
Wanna breath (1)\_\_\_\_\_ find air  
Thought you were sent from up above  
But you and me never had love  
So much more I have to say  
Help me find a way  
And I (2)\_\_\_\_\_ if you know  
How it really feels  
To be left outside alone  
When it's cold out here  
Well maybe you should know  
Just how it feels  
To be left outside alone  
To be (3)\_\_\_\_\_ outside alone  
I tell ya...  
All my life I've been waiting  
For you to bring a fairytale my way  
Been living in a fantasy without meaning  
It's not okay  
I don't feel safe  
I (4)\_\_\_\_\_ to pray  
Why do you play me (5)\_\_\_\_\_ a game?  
Always someone else to blame  
Careless, helpless little man  
Someday you might understand  
There's not much more to say  
But I (6)\_\_\_\_\_ you (7)\_\_\_\_\_ a way  
Still I wonder if you know  
How it really feels

To be left outside alone  
When it's cold out here  
Well maybe you should know  
Just how it feels  
To be left outside alone  
To be left (8)\_\_\_\_\_ alone  
I tell ya...  
All my life I've been waiting  
For you to bring a fairytale my way  
Been living in a fantasy without meaning  
It's not okay  
I don't feel safe  
I need to pray  
(Oh... pray...)  
(Oh.. heavenly father...)  
(Save me... oh...)  
(Whoa...)  
(And I wonder if you know)  
(How it really feels)  
To be (9)\_\_\_\_\_ outside alone  
When it's cold out here  
Well (10)\_\_\_\_\_ you should know  
Just how it feels  
To be left outside alone  
To be left outside alone...  
All my life I've been waiting  
For you to bring a fairytale my way  
Been living in a fantasy without meaning (oh!)  
It's not okay  
I don't feel safe  
I need to pray...  
...

## Fill in the gaps

Answer

1. can't
2. wonder
3. left
4. need
5. like
6. hope
7. find
8. outside
9. left
10. maybe
