

I think I'll get outta here Where I can run

## Fill in the gaps

I'm (1) here on the floor where you (2)	(Just as fast as I can)
me	(To the middle of nowhere)
I think I took too much	To the (14) of my frustrated, frustrated fears
I'm crying here, what have you done?	And I swear you're just like a pill
I (3) it would be fun	Instead of making me better
I can't stay on your life support	You (15) (16) me ill
There's a shortage in (the switch)	You keep making me ill
I can't stay on (4) morphine	Run just as fast as I can
Cuz its (5) me itch	To the middle of nowhere
I said I tried to call the (6) again	To the middle of my (17) fears
But she's being a little (bitch)	And I swear you're just (18) a pill
I think I'll get outta here	Instead of (19) me better
Where I can run	You keep (20) me ill
Just as fast as I can	You keep making me
To the middle of nowhere	I can't stay on (21) life support
To the middle of my frustrated fears	There's a shortage in the switch
And I (7) you're just like a pill	I can't (22) on (23) morphine
