My Friends Over You by New Found Glory

I'm drunk off your kiss
For another night in a row
This is becoming too routine for me
But I did not mean to lead you on
And (1)_____ all right to pretend
That we still talk
It's just for show, isn't it
It's my fault that it fell apart
Just maybe
You need this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
Please tell me everything
That you think (2)_____ I (3)_____ know
About all the plans you made
When I was nowhere to be found
And it's all right to forget
That we still talk
It's just for fun, isn't it
It's my (4)_____ that it (5)_____ apart
Just maybe you (6)_____ this

And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I (7)_____ pick my friends over you
My (8)_____ over you
Just (9)_____ you need this
You need this...
