

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)  
</em>Doctor, doctor, (1)\_\_\_\_\_ you please just give  
me something  
For the state I'm in?  
I'm (2)\_\_\_\_\_ trouble and society believe  
I got it wrong again  
I'm one (3)\_\_\_\_\_ (4)\_\_\_\_\_  
I don't think I'm getting (5)\_\_\_\_\_ my predicament  
But if I jumped out of the window what would she say?  
It's not on me, it's all on you  
We can't (6)\_\_\_\_\_ the things we do  
I can't believe her pretty feet  
Walked over me, all over me  
Help me, help me doctor  
It seems to be an (7)\_\_\_\_\_ lot for me to understand  
I (8)\_\_\_\_\_ I'm not a specimen  
The troubles and the mess I'm in  
I should be dead  
He said, let's all think  
(9)\_\_\_\_\_ you've had all your fun  
It's (10)\_\_\_\_\_ to be a man  
So you better quit your bitc\*ing  
Think (11)\_\_\_\_\_ what the (12)\_\_\_\_\_ would  
say  
It's not on me, it's all on you  
I can't prescribe what you want me to  
You need some sleep, you better leave  
He (13)\_\_\_\_\_ over me, all over me  
Wait until tomorrow, and it's gone  
So long

(14)\_\_\_\_\_ (15)\_\_\_\_\_ tomorrow, so long  
And it's gone  
Wait until tomorrow  
You beg and steal and (16)\_\_\_\_\_ till it's gone  
-He don't got a lot but he's got all he needs-  
I need someone to love  
-And all he's got well it's all that he needs-  
Somebody (17)\_\_\_\_\_ me because  
I could hear the voices in the tube  
To get me through anything  
I do and anything will do (18)\_\_\_\_\_ by me  
A little pill, a little thrill  
Should I take it? I (19)\_\_\_\_\_ I will  
And (20)\_\_\_\_\_ will do (21)\_\_\_\_\_ so  
As long as it's always too good  
Either way I don't give a d\*mn  
(22)\_\_\_\_\_ you people all say  
All now boy  
It's not on me, it's all on you  
I can't deny the (23)\_\_\_\_\_ I do  
I can't believe her pretty (24)\_\_\_\_\_  
Walked (25)\_\_\_\_\_ me, all (26)\_\_\_\_\_ me  
It's not on me, it's all on you  
There comes a time to speak the truth  
So you can see me when I leave  
Walk over you, all over you yeah

## Fill in the gaps

### Answer

1. could
2. having
3. month
4. sober
5. over
6. deny
7. awful
8. know
9. Then
