

Fill in the gaps

The way I tend to be by Frank Turner

Some mornings I pray for evening
For the day to be done
Some summer days I hide away
And wait for rain to come
Because it turns out hell will not be found
Within the fires below
But in making do and (1)_____ through
When you've (2)_____ (3)_____ to go
But then I remember you
And the way you shine like truth in all you do
And if you remembered me
You could save me from the way I tend to be
The way I tend to be
Some days I wake up dazed, my dear
And I don't know where I am
I've been (4)_____ now so long I'm scared
I've forgotten how to stand
I stand alone in airport bars
And gather thoughts to think
That if all I had was one long road
It could drive a man to drink
But then I remember you
And the way you shine (5)_____ truth in all you do
And if you remembered me

You could save me from the way I tend to be
Because I've said I love you so many times
That the words kind of die in my mouth
And I meant it each time
With each beautiful woman
But somehow it never works out
But you stood (6)_____ in my calloused heart
And you taught me and here's what I learned
That love is about of the changes you make
And not just three small words
And then I catch myself
Catching your scent on (7)_____ else
In a crowded space
And it (8)_____ me somewhere
I cannot quite place
And then I remember you
And the way you shine like truth in all you do
And if you remembered me
You could save me from the way I (9)_____ to be
The way I (10)_____ to be
The way I tend to be
