

Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I (1)_____ of when we were together

Like when you said

you felt so happy you could die

I told myself (2)_____ you were right for me

But felt so lonely in your company

But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like resignation to the end

Always the end

So when we found that we could not make sense

Well you said that we would (3)_____ be friends

But I'll admit that I was (4)_____ that it was over

But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

No you didn't have to stoop so low

Have your friends collect your records

And then change your number

I (5)_____ that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now and then I think of all the times you (6)_____ me over

But had me believing

it was always something that I'd done

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up on somebody that you used to know

But you didn't (7)_____ to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that (8)_____ so rough

No you didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess (9)_____ I don't need that though

Now you're just somebody that I used to know

Somebody

I used to know

Now you're just somebody (10)_____ I used to know

Somebody

I used to know

Now you're just somebody that I used to know

I used to know

That I used to know

I used to know

Somebody
