

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like (1)_____ used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes (2)_____ smile from (3)_____ cheeks?
Darling I will be loving you (4)_____ we're seventy
And baby my (5)_____ could (6)_____ feel as hard at twenty three
And I'm (7)_____ about how
People fall in love in (8)_____ ways
Maybe just the touch of a hand
Well me I (9)_____ in love with you every single day
And I just want to tell you I am
So (10)_____ now
Take me (11)_____ your loving arms
Kiss me under the light of a thousand stars
Place (12)_____ head on my beating heart
I'm thinking out loud
Maybe we (13)_____ love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the (14)_____ the same way
I know you will (15)_____ love me the same
Because honey your soul could never grow old

It's evergreen
And baby your smile is forever
In my (16)_____ and memory
I'm thinking about how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll (17)_____ (18)_____ on making the same mistakes
Hoping (19)_____ you'll understand
That (20)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into (21)_____ (22)_____ arms
Kiss me under the (23)_____ of a thousand stars
Oh darling, place (24)_____ head on my (25)_____ heart
I'm (26)_____ out loud
Baby we found love right (27)_____ we are
Baby we found (28)_____ right where we are
And we (29)_____ love right where we are

Fill in the gaps

Answer

1. they
