Fill in the gaps

Well, don't get on the wrong train	(Oh yes)
Don't fly in an old plane	[Instrumental]
Don't go out in the pouring rain	Everybody dance
You (1) get wet I'd be upset	Everybody dance
You're bound to get sneezes	Everybody dance
Or nasty diseases	Everybody dance
Take good care when (2) not there	Skiddy-beep-bop-doo
I'm still in love with you	Dee-dee-dee
While I'm on vacation	(Sounding good, sugar!)
You be a good patient	Skiddy-beep-bop-doo
Take your medication	Dee-dee-dee
I worry so each time I go	(You take (7) now, honey)
Try to keep warm, dear	Don't make a fuss, you need to trust me
In case there's a storm, dear	This is how it always must be
Take good care while I'm not there	When I stop to think of us, I can assure you, I adore you
I'm still in love with you	Because you're so gorgeous
Some younger guys with roving eyes may tantalise you with	You need to be cautious
(3) lies	Take good care when I'm not there, I'm still in love with you
You must be wise and realise, leave well alone till you get	You have a fun time,
