

Now every gambler knows

## Fill in the gaps

On a warm summer's evenin',			The secret to survivin'			
On a train bound for nowhere			Is knowin' what to throw away			
I met up with the gambler.		And knowin' what to keep.				
We were both too tired to sleep.		'Cause	(7)	hand's a w	vinner	
So we (1) turns a-starin'		And every hand's a loser				
Out the window at the darkness.		And the best you can hope for				
When (2) (3) u	s,	Is to die in your sleep.'				
He began to speak.		And when he finished speakin',				
He said, 'Son, I've made my life		He turned back (8) the window,				
Out of readin' people's faces.		Crushed out his cigarette				
Knowin' what the cards were			And faded off to sleep.			
By the way they held their eyes.		And somewhere in the darkness,				
So if you don't mind my sayin',		The gambler he broke even.				
I can see you're out of aces,		And in his final words I found				
For a taste of your whiskey,			An ace that I could keep.			
I'll give you some advice.'		You've got to know				
So I handed him my bottle,		When to (9) 'em,				
and he drank (4) my last swallow.			Know when to fold 'em			
Then he bummed a cigarette		Know when to (10) away,				
And asked me for a light.		Know when to run.				
And the night got (5) quiet,		You never count your money				
And his face lost all expression.			When you're sittin' at the table.			
He said, 'If			There'll be time enough for countin'			
You're (6) play the game, boy,			When the dealin's done.			
You gotta learn to play it right.'			You've got to know			
You've got to know			When to hold 'em,			
When to hold 'em,			Know when to fold 'em			
Know when to fold 'em			Know when to walk away,			
Know when to walk away,			Know when to run.			
Know when to run.		You never count your money				
You never count your money			When you're sittin' at the table.			
When you're sittin' at the table.		There'll be time enough for countin'				
There'll be time enough for countin'			When the dealin's done.			
When the dealin's done.
