

Fill in the gaps

So what'll happen to us baby
Guess we'll have to wait and see
When I find out all the reasons
Maybe I'll find another way
Find another day
With all the changing seasons of my life
Maybe I'll get it right next time
An now that you've been broken down
Got your head out of the clouds
You're back down on the ground
And you don't talk so loud
An you don't walk so proud
Any more, and what for
Well I jumped into the river
Too many times to make it home
I'm out here on my own, an drifting all alone
If it doesn't show give it time
To read between the lines
'Cause I see the storm getting closer
And the (6) get so high
Seems (8) we've ever known's here
Why must it drift away and die
I'll never find anyone to (9) you
Guess I'll have to make it thru, this time- Oh (10)
time
Without you
I knew the storm was getting closer
And all my friends said I was high
But everything we've ever known's here
I never wanted it to die
