

Fill in the gaps

When you're talkin' to yourself	So what'll happen to us baby	
And nobody's home	Guess we'll have to wait and see	
You can fool yourself	When I find out all the reasons	
You (1) in (2) world alone	Maybe I'll find (13) wa	ay
(Alone)	Find another day	
So nobody (3) told you baby	With all the (14) sea	asons of my life
How it was (4) be	Maybe I'll get it right next time	
So what'll (5) to you baby	An now that you've been broken down	
Guess we'll have to wait and see	Got your head out of the clouds	
One, two	You're back down on the ground	
Old at heart but I'm (6) 28	And you don't (15) so loud	
And I'm much too young	An you don't walk so proud	
To let (7) break my heart	Any more, and what for	
Young at heart but it's getting much too late	Well I jumped into the river	
To find ourselves so far apart	Too many (16) to make it home	
I don't know how you're s'posed	I'm out here on my own, an drifting all alone	
To find me lately	If it doesn't (17) give it time	
An (8) more could you ask from me	To read between the lines	
How (9) you say (10) I never	'Cause I see the (18) gettin	ng closer
(11) you	And the (19) (20)	get so high
When you took everything	Seems everything we've (21) known's here	
Said you took everything from me	Why (22) it drift away and die	
Young at heart and it gets so hard to wait	I'll never (23) anyone to (24)	
When no one I know can seem to (12) me now	you	
Old at heart but I mustn't hesitate	Guess I'll (25) to make it thru, this time- Oh	
If I'm to find my own way out	(26) time	
Still talkin' to myself	Without you	
And nobody's home	I knew the storm was getting closer	
(Alone)	And all my friends said I was high	
So nobody ever told us baby	But (27) we've	e ever known's here
How it was gonna be	I never wanted it to die
