So what'll happen to us baby

When you're talkin' to yourself
And nobody's home
You can fool yourself
You came in this world alone
(Alone)
So nobody ever told you baby
How it was (1) be
So what'll happen to you baby
Guess we'll have to wait and see
One, two
Old at heart but I'm (2) 28
And I'm much too young
To let love break my heart
Young at heart but it's getting much too late
To find ourselves so far apart
I don't know how you're s'posed
To find me lately
An what more could you ask from me
How could you say that I never needed you
When you took everything
Said you took everything from me
Young at heart and it gets so hard to wait
When no one I know can seem to help me now
Old at heart but I mustn't hesitate
If I'm to find my own way out
Still talkin' to myself
And nobody's home
(Alone)
So nobody ever (3) us baby
How it was gonna be

Guess we'll have to (4)___ When I find out all the reasons Maybe I'll find another way Find another day With all the changing seasons of my life Maybe I'll get it right (5)_____ time An now that you've been broken down Got your head out of the clouds You're back down on the ground And you don't (6)_____ so loud An you don't walk so proud Any more, and what for Well I (7)_____ into the river Too many times to make it home I'm out here on my own, an drifting all alone If it doesn't show give it time To read between the lines 'Cause I see the storm (8)_ _____ closer And the waves they get so high Seems everything we've ever known's here Why must it drift (9)_____ and die I'll never find (10)_____ to replace you Guess I'll have to make it thru, this time- Oh this time Without you I knew the storm was getting closer And all my friends said I was high But everything we've ever known's here I never wanted it to die
