Diamonds & Rust by Judas Priest

I'll be damned, here comes your ghost again

but that's not unusual

it's just that the moon is full

and you decided to call

And here I sit, hand on the telephone

hearing the voice I'd known

a couple of light years ago

headed straight for a fall

But we both know what memories can bring

they bring diamonds and rust

yes we both know what memories can bring

they bring (1)_____ and rust

Now I see you standing with brown leaves all around and snow in your hair

now we're smiling out the window of the (2)_____

hotel over washington square

our breath comes in white clouds, mingles and hangs in the air

speaking strictly for me we both could've died then and there

Now you're telling me you're not nostalgic

then give me another word for it

you (3)_____ so good with words

and at keeping things vague

Cause I need some of that (4)_____ now

it's all come (5)_____ too clearly, yes, I love you dearly

and if you're (6)_____ me

(7)_____ and rust, I've already paid

But we both know what memories can bring

they (8)_____ diamonds and rust

yes we both know what memories can bring

they (9)_____ diamonds and rust

Diamonds, diamonds and rust

diamonds, diamonds and rust

diamonds, diamonds and rust

diamonds, (10)_____ and rust
