

## Fill in the gaps

| I cant see you, I cant hear you                        |
|--|
| Do you still exist?                                    |
| I cant feel you, I cant touch you,                     |
| Do you exist?  |
| The Phantom Agony                                      |
| I cant taste you, I cant think of you,                 |
| Do we exist at all?                                    |
| The future doesnt pass                                 |
| And the past wont (1) the present                      |
| All that (2) is an obsolete illusion                   |
| We are afraid of all the things that will not be       |
| A phantom agony  |
| Do we dream at night                                   |
| Or do we share the (3) old fantasy?                    |
| I am a silhouette of the person wandering in my dreams |
| Tears of unprecedented beauty                          |
| Reveal the truth of existence                          |
| Were all sadists                                       |
| The age-old development of consciousness               |
| Drives us away from the essence of life                |

| We meditate too much,                                   |
|---|
| so that our (4) will fade away                          |
| They fade away  |
| Whats the point of life                                 |
| And whats the meaning if we all die in the end?         |
| Does it make sense to (5) or do we                      |
| (6) everything?   |
| Tears of unprecedented beauty                           |
| Reveal the truth of existence                           |
| Were all pessimists                                     |
| Teach me how to see and (7) the disbelief in me         |
| What we get is what we see, the Phantom Agony           |
|   |
| The lucidity of my mind has been revealed in new dreams |
| I am able to (8) where my heart goes                    |
| In search of self-realisation                           |
| This is the way to escape from our agitation            |
| And develop ourselves                                   |
| Use your illusion and enter my dream                    |
