

Fill in the gaps

Chance doesn't exist
But the path of (1) is not totally so predestined
And (2) and chronology show us how all should be
In the ways of existence
To find out why we are here
Being (3) is a torment
The (4) we learn is the (5) we get
Every answer (6) a new quest
A quest to non existence, a (7) with no end
No one surveys the whole, (8) on (9) so small
But lifes objective is to make it meaningful
Only searching for this
That which doesn't exist
Although our (10) to (11) unclear
Im not (13) to die
Im afraid to be (14) without (15) (16) of it
Im so afraid to, I (17) stand to
Waste all my (18) on things
That do not matter anymore
Our future has already been written by us alone
But we dont grasp the meaning
But we dont grasp the meaning Of our programmed course of life
Of our programmed course of life
Of our programmed course of life Our (19) has already (20) wasted by us alone
Of our programmed course of life Our (19) has already (20) wasted by us alone And we (21) let it happen and do not worry at all
