Gotta Be Somebody by Nickelback

This time, I wonder what it feels like	Someone to love with my life in their hands
To find the one in this life, the one we all dream of	There's gotta be (16) for me like that
But dreams just aren't enough	Cause nobody wants to go it on their own
So I'll be waiting for the (1) thing, I'll know it by the	And everyone wants to know they're not alone
feeling	There's somebody else that feels the same somewhere
The moment when we're meeting, (2) play out like	There's gotta be somebody for me out there
a scene	You can't (17) up, (when you're looking for) a
Straight off the silver screen	diamond in the rough (cause you never know)
So I'll be holding my breath, (3) up 'til the end	When it shows up, (make sure you're (18)
Until (4) moment when, I find the one that I'll spend	on)
forever with	Cause it could be the one, the one you're
Cause nobody (5) to be the (6) one	(19) on
there	Cause nobody wants to be the (20) one there
Cause everyone (7) to (8) like	And everyone (21) to feel like someone cares
(9) cares	Someone to love with my life in their hands
Someone to love with my life in their hands	There's (22) be somebody for me, oh
There's gotta be somebody for me like that	Nobody (23) to go it on their own
Cause nobody (10) to go it on their own	And everyone wants to know they're not alone
And everyone wants to know they're not alone	There's somebody else that (24) the same
There's somebody else that feels the same somewhere	somewhere
There's gotta be somebody for me out there	There's gotta be somebody for me out there
Tonight, out on the street, out in the moonlight	Nobody wants to be the last one there
And dammit this (11) too right, it's just like déja	Cause everyone wants to feel like someone cares
vu	There's somebody else (25) feels the same
Me standing here with you	somewhere
So I'll be holding my breath, could this be the end?	There's gotta be (26) for me out
Is it that moment when, I (12) the one that I'll	(27)
spend forever with	
Cause (13) wants to be the last one there	
Cause (14) wants to feel (15)	
someone cares
