If Today Was Your Last Day by Nickelback

My (1) friend gave me the best advice	Swear up and down to God above
He said each day's a gift and not a given right	That you (7) fall in love
Leave no stone unturned, leave your fears behind	If today was your last day
And try to take the path less traveled by	If (8) was your last day
That first step you take is the longest stride	Would you make your mark by (9) a broken
If today was your last day	heart?
And tomorrow was too late	You know it's never too late to shoot for the stars
Could you say goodbye to yesterday?	Regardless of who you are
Would you live each moment like your last?	So do whatever it takes
Leave old pictures in the past	'Cause you can't rewind a moment in this life
Donate every dime you have?	Let nothin' stand in your way
If today was your last day	Cause the hands of time are never on your side
Against the (2) should be a way of life	If today was your last day
What's worth the prize is always worth the fight	And tomorrow was too late
Every second counts 'cause there's no second try	Could you say goodbye to yesterday?
So live like you'll (3) live it twice	Would you live each moment like your last?
Don't take the free ride in your own life	Leave old pictures in the past
If today was your last day	Donate every dime you have?
And tomorrow was too late	Would you call old friends you never see?
Could you say goodbye to yesterday?	Reminisce old memories
Would you live each moment like your last?	Would you forgive (10) enemies?
Leave old pictures in the past	Would you find that one you're dreamin' of?
Donate (4) you have?	Swear up and down to God above
Would you call old (6) you never see?	That you finally fall in love
Reminisce old memories	If today was your last day
Would you forgive your enemies?
