

Fill in the gaps

Look at this photograph	I was so nervous that I nearly missed
Everytime I do it (1) me laugh	She's had a couple of (16) since then
How did our eyes get so red	I haven't seen her since god knows when
And what the hell is on Joey's head	Oh, oh, oh
And this is where I grew up	Oh, god, I
I think the present owner (2) it up	Every memory of looking out the back door
I (3) (4) we'd ever went without	I had the (17) album spread out on my
The (5) floor is hard for sneaking out	(18) floor
And this is where I went to school	It's (19) to say it, (20) to say it
Most of the time had better things to do	Goodbye, goodbye.
Criminal record says I broke in twice	Every memory of (21) out the
I must (6) done it half a dozen times	(22) door
I wonder if it's too late	I found the photo of the friend that I was looking for
Should i go back and try to graduate	It's hard to say it, time to say it
Life's (7) now than it was back then	Goodbye, goodbye.
If I was them I wouldn't let me in	I miss that town
Oh, oh, oh	I miss the faces
Oh, god, I	You can't erase
Every memory of looking out the (8) door	You can't replace it
I had the photo album spread out on my (9)	I miss it now
floor	I can't believe it
It's hard to say it, time to say it	So hard to stay
Goodbye, goodbye.	Too hard to leave it
Every memory of walking out the front door	If I could I relive (23) days
I (10) the photo of the friend that I was looking	I know the one thing that (24) never change
for	Every memory of looking out the back door
It's (11) to say it, time to say it	I had the photo album (25) out on my
Goodbye, goodbye.	(26) floor
Remember the old arcade	It's hard to say it, time to say it
Blew every dollar that we ever made	Goodbye, goodbye.
The cops hated us hangin' out	Every memory of walking out the front door
They say somebody went and burned it down	I found the photo of the friend that I was looking for
We used to listen to the radio	It's hard to say it, time to say it
And sing along with every song we know	Goodbye, goodbye.
We said (12) we'd find out how it feels	Look at this photograph
To sing to (13) than just the	Everytime I do it makes me laugh
(14) wheel	Everytime I do it (27) me
Kim's the (15) girl I kissed
