Elevate by Big Time Rush

Here we go, here we go

Oh oh oh

Fill in the gaps

			If you wanna party
Elevate a little higher			Oh oh oh
Let's throw a party in the sky			And I know you do
And celebrate			Oh oh oh
Elevate until we're flying			If you wanna party
Move, move your feet			If you wanna party
Until you levitate			Elevate a little higher
Come on let's elevate			Let's throw a party in the sky
