

Fill in the gaps

when I look into your eyes I can see a love restrained but dariin when I hold you Don't you know I reel the same. Cause nothin lasts forever and we
both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a long long time Just tryin' to kill
the pain Yeahh But lovers always come And lovers always go And no one's really sure Who's lettin' go (1) Walking away If we could
take the (2) To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to love me Then darlin' don't
refrain Or I'll just end up walkin' In the (3) November rain Do you (4) some time On your own Do you need some time All alone
Everybody needs some time On their own Don't you know you need some time All alone I (5) it's hard to keep an open heart When even
friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some time On my own
Sometimes I need some (6) All alone Everybody (7) some time On their own Don't you know you need some time All alone
And when your fears subside And shadows still remain I know that you can love me When there's no one left to blame So never mind the darkness We
still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya think that you (8)
someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need somebody Don't ya think that you
Need someone Everybody needs somebody You're not the only one You're not the (9) one Don't ya think that you Need somebody Don't
ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need somebody
Don't ya think that you Need someone Everybody needs somebody
