Fill in the gaps

You have my heart	You can run into my arms
And we'll never be worlds apart	It's okay don't be alarmed
Maybe in magazines	Come here to me
But you'll still be my star	There's no (7) in (8)
Baby 'cause in the dark	our love
You can't see (1) cars	So go on and let the rain pour
And that's when you need me there	I'll be all you need and more
With you I'll (2) share	Because
Because	When the sun shines, we'll shine together
When the sun shines, we'll shine together	Told you I'll be (9) forever
Told you I'll be (3) forever	Said I'll always be a friend
Said I'll always be a friend	Took an oath, I'ma stick it out till the end
Took an oath, I'ma stick it out till the end	Now that it's raining (10) than ever
Now that it's raining (4) than ever	Know that we'll still have each other
Know that we'll (5) have (6) other	You can stand under my umbrella
You can stand under my umbrella	You can stand under my umbrella
You can stand under my umbrella	(Ella ella, eh eh eh)
(Ella ella, eh eh eh)	Under my umbrella
Under my umbrella	(Ella ella, eh eh eh)
(Ella ella, eh eh eh)	Under my umbrella
Under my umbrella	(Ella ella, eh eh eh)
(Ella ella, eh eh eh)	Under my umbrella
Under my umbrella	(Ella ella, eh eh eh, eh eh eh)
(Ella ella, eh eh eh, eh eh eh)	It's raining
These fancy things, will never come in between	Ooh baby it's raining
You're part of my entity, here for infinity	Baby come here to me
When the war has took it's part	Come here to me
When the world has dealt it's cards	It's raining
If the hand is hard, together we'll mend your heart	Ooh baby it's raining
Because	You can always come here to me
When the sun shines, we'll shine together	Come here to me
Told you I'll be here forever	It's pouring rain
Said I'll always be a friend	It's pouring rain
Took an oath, I'ma stick it out till the end	Come here to me
Now that it's raining more than ever	Come here to me
Know that we'll still have each other
