

Monsoon by Tokio Hotel

Fill in the gaps

I'm staring at a broken door
There's nothing left here anymore
My room is cold, it's making me insane
I've been waitin' here so long
Another moment seems to have come
I see the dark clouds comin' up again
Running through the monsoon
Beyond the world 'til the end of time
Where the rain won't hurt
Fighting the storm into the blue
And when I lose myself I think of you
Together we'll be running somewhere new
Through the monsoon (1)_____ me and you
A half moon fading from my sight
I see your vision in it's light
But now it's gone and left me so alone
I'll know I have to find you now
Can (2)_____ you name and don't know how
Why can't we make this darkness feel like home?
Running through the monsoon
Beyond the world 'til the end of time
Where the rain won't hurt
Fighting the (3)_____ into the blue
And when I lose myself I think of you

Together we'll be (4)_____
(5)_____ new
And nothing can hold me back from you
Through the monsoon, hey, hey
I'm (6)_____ all this power coming in my way
Let it take me straight to you
I've been running night and day
I'll be with you (7)_____ (8)_____ me and you
We'll be (9)_____ soon, so soon
Running through the monsoon
Beyond the world 'til the end of time
Where the rain won't hurt
Fighting the storm into the blue
And when I lose myself I think of you
Together we'll be (10)_____ somewhere new
And nothing can hold me back from you
Through the monsoon
Through the monsoon
Just me and you
Through the monsoon
Just me and you
