

And never seemed so right before

Fill in the gaps

Something Stupid by Robbie Williams

know I stand in line	I practice every day to find some clever
Until you think you have the time	lines to say
To spend an evening with me	To make the meaning come through
And if we go someplace to dance	But then I (6) I'll wait until the evening
know that there's a chance	gets late
You won't be (1) (2) me	And I'm (7) with you
Then afterwards we drop into a quiet little place	The time is right
And have a drink or two	Your perfume fills my head
And then I go and spoil it all	The stars get red
By saying something stupid	And oh the night's so blue
Like I love you	And then I go and spoil it all
can see it in your eyes	By (8) stupid
That you despise the (3) old lines	Like I love you
You heard the night before	l (10) you
And (4) it's just a (5) to you	
For me it's true	

- 1. leaving
- 2. with
- 3. same
- 4. though
- 5. line
- 6. think
- 7. alone
- 8. saying
- 9. something
- 10. love
