

Fill in the gaps

Something Stupid by Robbie Williams

I know I stand in line	I (17) every day to find some
Until you (1) you (2) the time	(18)
To spend an evening (3) me	lines to say
And if we go someplace to dance	To (19) the meaning come through
I know (4) there's a chance	But (20) I think I'll wait until the evening
You won't be (5) (6) me	gets late
Then afterwards we drop (7) a quiet little place	And I'm alone with you
And (8) a drink or two	The (21) is right
And then I go and spoil it all	Your perfume fills my head
By saying (9) stupid	The stars get red
Like I (10) you	And oh the night's so blue
I can see it in (11) eyes	And (22) I go and spoil it all
That you (12) the (13) old line	s By saying something stupid
You heard the (14) before	Like I (23) you
And though it's (15) a line to you	I love you
For me it's true	
And never seemed so (16) before
