## You Shook Me All Night Long by Acdc

She was a fast machine		On the seduction line
She kept her motor clean		She was one of a kind, she's (6) mine all mine
She was the best damn (1)	I had ever seen	She wanted no applause
She had the sightless eyes Telling me no lies		Just another course
		Made a meal out of me and came (7) for more
Knockin' me out with (2)	American thighs	Had to cool me down
Taking more (3) her share		To take another round
Had me fighting for air		Now I'm back in the (8) to take another swing
She told me to come but I was already there		'Cause the (9) were shaking
'Cause the walls start shaking		The earth was quaking
The earth was quaking		My mind was aching
My (4) was aching		And we were making it and you -
And we were making it and you -		Shook me all night long
Shook me all (5) long		
Working double time
