Fill in the gaps

Oh - thinkin' (1) all our (2)	Oh - once in (13) life you (14) someone
years	Who will turn (15) world around
There was only you and me	Bring you up when you're feelin' down
We were (3) and wild and free	Ya-nothin' (16) change (17) you
Now nothin' can take you away (4) me	mean to me
We've (5) that road before	Oh there's lots that I could say
But that's (7) now	But just (18) me now
You keep me comin' back for more	Cause our (19) (20) light the way
Chorus	Chorus
Baby you're all that I want	I've been waitin' for so long
When you're lyin' here in my arms	For somethin' to arrive
I'm findin' it (8) to believe	For love to come along
We're in heaven	Now our (21) are comin' true
And (9) is all that I need	Through the good (22) and the bad
And I (10) it (11) in (12)	Ya - I'll be standin' (23) by you
