

## Fill in the gaps

got your emails	She was (6) you, yeah
You just don't get females	Now, I couldn't care
Now, do you?	About who, what or where
What's in my heart	We're through
s not in your head	You'll have to cry me out
Anyway	You'll have to cry me out
Mate, (1) too late	The tears that'll fall
And you weren't worth the wait	Mean nothing at all
Now, were you?	It's time to get over yourself
t's out of my hands	Baby, you ain't all that
Since you blew (2) last chance	Baby, there's no way back
When you played me	You can keep talking
You'll have to cry me out	But baby, I'm walking away
You'll have to cry me out	Gonna have to cry me out
The tears that'll fall	Gonna have to cry me out
Mean nothing at all	Boy, there ain't no doubt
t's time to get over yourself	Gonna have to cry me out
Baby, you ain't all that	Won't (7) a (8) bit
Baby, there's no way back	Boy, better get used to it
You can keep talking	You can keep talking
But baby, (3) walking away	But baby, I'm walking away
When I found out	You'll have to cry me out
How you messed me about	You'll have to cry me out
was broken (heartbroken)	The tears that'll fall
Back then I (4) you	Mean nothing at all
Now, I don't need you	It's time to get (9) yourself
No more	You'll (10) to cry me out
The pic on (5) phone	You'll Have to cry me out
