

Fill in the gaps

I got your emails		She was (5) you, yeah
You just don't get females		Now, I (6) ca
Now, do you?		About who, what or where
What's in my heart		We're through
Is not in your head		You'll have to cry me out
Anyway		You'll (7) to cry me out
Mate, you're too late		The tears that'll fall
And you (1)	worth the wait	Mean nothing at all
Now, were you?		It's time to get over yourself
It's out of my hands		Baby, you ain't all that
Since you blew your last chance		Baby, there's no way back
When you played me		You can keep talking
You'll have to cry me out		But baby, I'm walking away
You'll (2) to cry me out		Gonna have to cry me out
The tears that'll fall		Gonna have to cry me out
Mean (3) at all		Boy, there ain't no doubt
It's time to get (4) your	self	Gonna have to cry me out
Baby, you ain't all that		Won't hurt a little bit
Baby, there's no way back		Boy, better get used to it
You can keep talking		You can keep talking
But baby, I'm walking away		But baby, I'm walking away
When I found out		You'll have to cry me out
How you messed me about		You'll have to cry me out
I was broken (heartbroken)		The tears that'll fall
Back then I believed you		Mean (8) at all
Now, I don't need you		It's time to get over yourself
No more		You'll (9) to cry me out
The pic on your phone		You'll Have to cry me out
Proves you weren't alone
