

Fill in the gaps

I know you think that I shouldn't still (1) you
I tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to where we were
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I left too much mess
And destruction to (2) back again
That I cause (3) but trouble
I understand if you can't talk to me again
And if you live by the rules of "It's over"
Then I'm sure that that makes sense
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag (4) my door
I'm in love and always will be
And when we meet
Which I'm sure we will
all that was there
Will be there still
will be there still

And (5) my tongue	
And you will think	
That I've (6) on	
Well I will go down with (7) ship	
And I won't put my hands up and surrender	
There will be no white flag above my door	
I'm in love and always will be	
Well I will go down with this ship	
And I won't put my (8) up and surr	ende
There will be no white flag (9) my	door
I'm in love and always will be	
I will go down with this ship	
And I won't put my hands up and surrender	
There will be no white flag above my door	
I'm in love and always will be
