

Fill in the gaps

I know you (1) that I shouldn't still love you	And hold my tongue
I tell you that	And you will think
But if I didn't say it	That I've moved on
Well, I'd still have felt it	Well I (18) go down with this ship
Where's the sense in that?	And I won't put my hands up and surrender
I promise I'm not trying to make (2) life harder	There will be no white (19) above my door
Or return to (3) we were	I'm in love and always will be
Well I will go down with (4) ship	Well I will go (20) with this ship
And I won't put my (5) up and surrender	And I won't put my (21) up and surrender
There (6) be no white (7)	There will be no white flag (22) my door
(8) my door	I'm in (23) and always will be
I'm in love and (9) will be	I will go down with this ship
I know I left too much mess	And I won't put my hands up and surrender
And destruction to come (10) again	There will be no white (24) (25) my
That I cause nothing but trouble	door
I understand if you can't talk to me again	I'm in love and always will be
And if you (11) by the (12) of "It's	
over"	
Then I'm sure that that makes sense	
Well I (13) go down with (14) ship	
And I won't put my (15) up and surrender	
There (16) be no white flag above my door	
I'm in love and always will be	
And when we meet	
Which I'm (17) we will	
all that was there	
Will be there still	
I'll let it pass
