Fill in the gaps

White Flag by Dido

I (1)_____ you think (2)_____ I shouldn't still love you
I tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to where we were
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I left too much mess
And destruction to come back again
That I cause nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "It's over"
Then I'm sure that that makes sense
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And (3)_____ we meet
Which I'm sure we will
all that was there
Will be there still
I'll let it pass
And hold my tongue
And you (4)_____ think
That I've moved on
Well I will go down with (5)_____ ship
And I won't put my hands up and surrender
There will be no white (6)_____ above my door
I'm in love and always will be
Well I will go down with (7)_____ ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I (8)_____ go down with this ship
And I won't put my hands up and surrender
There (9)_____ be no white flag above my door
I'm in love and (10)_____ will be
