The smell of your (1) lingers on me now	We'll play jacks and Uno cards
You're probably on your (2) back to your	I'll be your best friend and you'll be mine
home town	Valentine
I need some shelter of my own protection, baby	Yes, you can (9) my hand if you want to
To be with myself and center	'Cause I want to hold yours too
Clarity, peace, serenity	We'll be playmates and lovers
I hope you know, I hope you know	And share our secret worlds
That this has nothing to do with you	But it's time for me to go home
It's personal, myself and I	It's getting late, dark outside
We've got some straightenin' out to do	I need to be with myself, and center
And I'm gonna miss you like a child misses their blanket	Clarity, peace, serenity
But I've got to get a move on (3) my life	I hope you know, I hope you know
It's time to be a big girl now	That this has nothing to do with you
And big girls don't cry	It's personal, myself and I
Don't cry, don't cry, don't cry	We've got some straightenin' out to do
The path that I'm walkin', I must go alone	And I'm gonna miss you like a child misses (10)
I must take the baby steps 'til I'm full grown, full grown	blanket
Fairy tales don't always have a happy ending, do they?	But I've got to get a move on with my life
And I foresee the dark ahead if I stay	It's time to be a big girl now
I hope you know, I (4) you know	And big girls don't cry
That this has (5) to with you	Don't cry, don't cry, don't cry
It's personal, (6) and I
