

## Fill in the gaps

The smell of (1) skin lingers on me now	We'll play jacks and Uno cards
You're probably on your (2) back to your	I'll be your best friend and you'll be mine
home town	Valentine
I need some shelter of my own protection, baby	Yes, you can hold my hand if you want to
To be with myself and center	'Cause I (7) to hold yours too
Clarity, peace, serenity	We'll be playmates and lovers
I hope you know, I hope you know	And (8) our secret worlds
That this has nothing to do with you	But it's time for me to go home
It's personal, myself and I	It's getting late, dark outside
We've got some straightenin' out to do	I need to be with myself, and center
And I'm gonna miss you like a child misses (3)	Clarity, peace, serenity
blanket	I hope you know, I (9) you know
But I've got to get a move on with my life	That this has nothing to do with you
It's time to be a big girl now	It's personal, myself and I
And big girls don't cry	We've got some straightenin' out to do
Don't cry, don't cry, don't cry	And I'm gonna miss you like a child misses their blanket
The path (4) I'm walkin', I must go alone	But I've got to get a move on with my life
I (5) take the baby steps 'til I'm (6)	It's time to be a big girl now
grown, full grown	And big girls don't cry
Fairy tales don't always have a happy ending, do they?	Don't cry, don't cry, don't cry
And I foresee the dark ahead if I stay	
I hope you know, I hope you know	©SONY/ATV MUSIC PUBLISHING GMBH
That this has nothing to with you	
It's personal, myself and I	©CYCLUS MUSIKVERLAG GMBH
We've got some straightenin' out to do	
And I'm gonna miss you like a child misses their blanket	
But I've got to get a move on with my life	
It's time to be a big girl now	
And big girls don't cry	
Like the little school mate in the school yard
