You're Still The One by Shania Twain

(When I first saw you, I saw love.	(You're still the one)
And the first time you touched me, I felt love.	You're still the one (8) I love
And (1) all this time, you're still the one I love.)	The only one I dream of
Looks like we made it	You're (9) the one I kiss good night
Look how far we've (2) my baby	Ain't nothin' better
We mighta took the (3) way	We beat the odds together
We knew we'd get there someday	I'm glad we didn't listen
Bridge:	Look at what we would be missin'
They said, "I bet they'II (4) make	Repeat Bridge
it"	Chorus 2x
But just look at us holding on	I'm so glad we made it
We're still together still (5) strong	Look how far we've (10) my baby
Chorus:	
(You're (6) the one)	
You're still the one I run to	
The one that I (7) to	
You're the one I want for life
