### Can't Help Falling In Love by Elvis Presley

(Weiss, Peretti and Creatore)

| Wise men say (1)              | (2)               | (3) in           |
|-------------------------------|-------------------|------------------|
| but I can't (4)               | (5)               | in love with you |
| Shall I stay                  |                   |                  |
| would it be a sin             |                   |                  |
| If I can't help falling in lo | ove with you      |                  |
|                               |                   |                  |
| Like a river flows surely     | to the sea        |                  |
| Darling so it goes            |                   |                  |
| some (6)                      | _ are (7)         | to be            |
| take my hand, (8)             | my whole life too |                  |
| for I can't (9)               | falling in (10)   | (11) you         |
|                               |                   |                  |
| Like a (12)                   | (13) su           | rely to the sea  |
| Darling so it goes            |                   |                  |
| some things are (14)          | to be             |                  |
| take my hand, (15)            | my (16)           | life too         |
| for I can't help (17)         | in (18)_          | with you         |
| for I can't (19)              | (20)              | in love with you |
