

## Fill in the gaps

You and I go hard	Using my head let it all go
At each other like we're going to war	Now you're stuck on my body
You and I go rough	On my body like a tattoo
We keep throwing (1) and	And now I'm feeling stupid
(2) the door	Feeling stupid crawling back to you
You and I get so damn dysfunctional	So I cross my heart and I hope to die
We stopped keeping score	That I'll (11) stay with you one more night
You and I get sick	And I know I said it a million times
Yeah I know that we can do this no more	But I'll only (12) with you one more night
But baby there you go again	Yeah baby give me one (13) night
There you go again making me (3) you	Yeah baby give me one more night
Baby I stopped using my head	Yeah baby give me one (14) night
Using my head let it all go	Baby there you go again
Now you're (4) on my body	There you go again making me (15) you
On my body (5) a tattoo	I (16) using my head
And now I'm feeling stupid	Using my (17) let it all go
Feeling stupid (6) back to you	Got you stuck on my body
So I cross my heart and I hope to die	On my body like a tattoo
That I'll only stay with you one more night	So I cross my heart and I hope to die
And I know I said it a million times	That I'll only (18) (19) you one more
But I'll only (7) with you one more night	night
Try to tell you no	And I know I (20) it a million times
But my body keeps on (8) you yes	But I'll (21) stay with you one more night
Try to tell you stop	-Yes baby (22) me one more time-
But your (9) got me so out of breath	So I cross my (23) and I hope to die
I'll be waking up in the morning probably hating myself	That I'll only stay (24) you one (25)
And I'll be waking up feeling satisfied	night
But guilty as hell	And I know I (26) it a million times
But baby there you go again	But I'll only stay with you one (27) night
There you go again making me (10) you	-I don't know, whatever, whatever-
Baby I stopped using my head
