For the other half of the sky		Oon, well well
Woman I can hardly express		Doo doo doo, doo doo
My (1)(2)	at my	Well
thoughtlessness		Woman please let me explain
After all, I'm forever in your debt		I never meant to cause you sorrow or pain
And woman I will try to express		So let me tell you again and again and again
My inner (3) and thankfulness		I love you, yeah yeah
For showing me the meaning of success		Now and forever
Ooh, well well		I love you, yeah yeah
Doo doo doo, doo doo		Now and forever
Ooh, (4) well		I love you, yeah yeah
Doo doo doo, doo doo		Now and forever
Woman I know you understand		I (7) you, yeah yeah
The (5) child inside the man		Now and forever
Please remember my life is in your hands		
And (6) hold me close to your heart		
However distant don't keep us apart		
After all it is written in the stars		
Ooh, well well		
Doo doo doo, doo doo
