

Candles by Daughter

Fill in the gaps

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do (1)_____ you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I (2)_____ brittle bones it seems
I (3)_____ my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn from the times we are
cursed
Things (4)_____ be reversed, learn from the ones
we fear the worst
And learn from the ones we hate the (5)_____ how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I (6)_____
the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please (7)_____ (8)_____ out all the candles,
blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a (9)_____ heart confusing my mind, but we're
both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a (10)_____ scene.

Fill in the gaps
